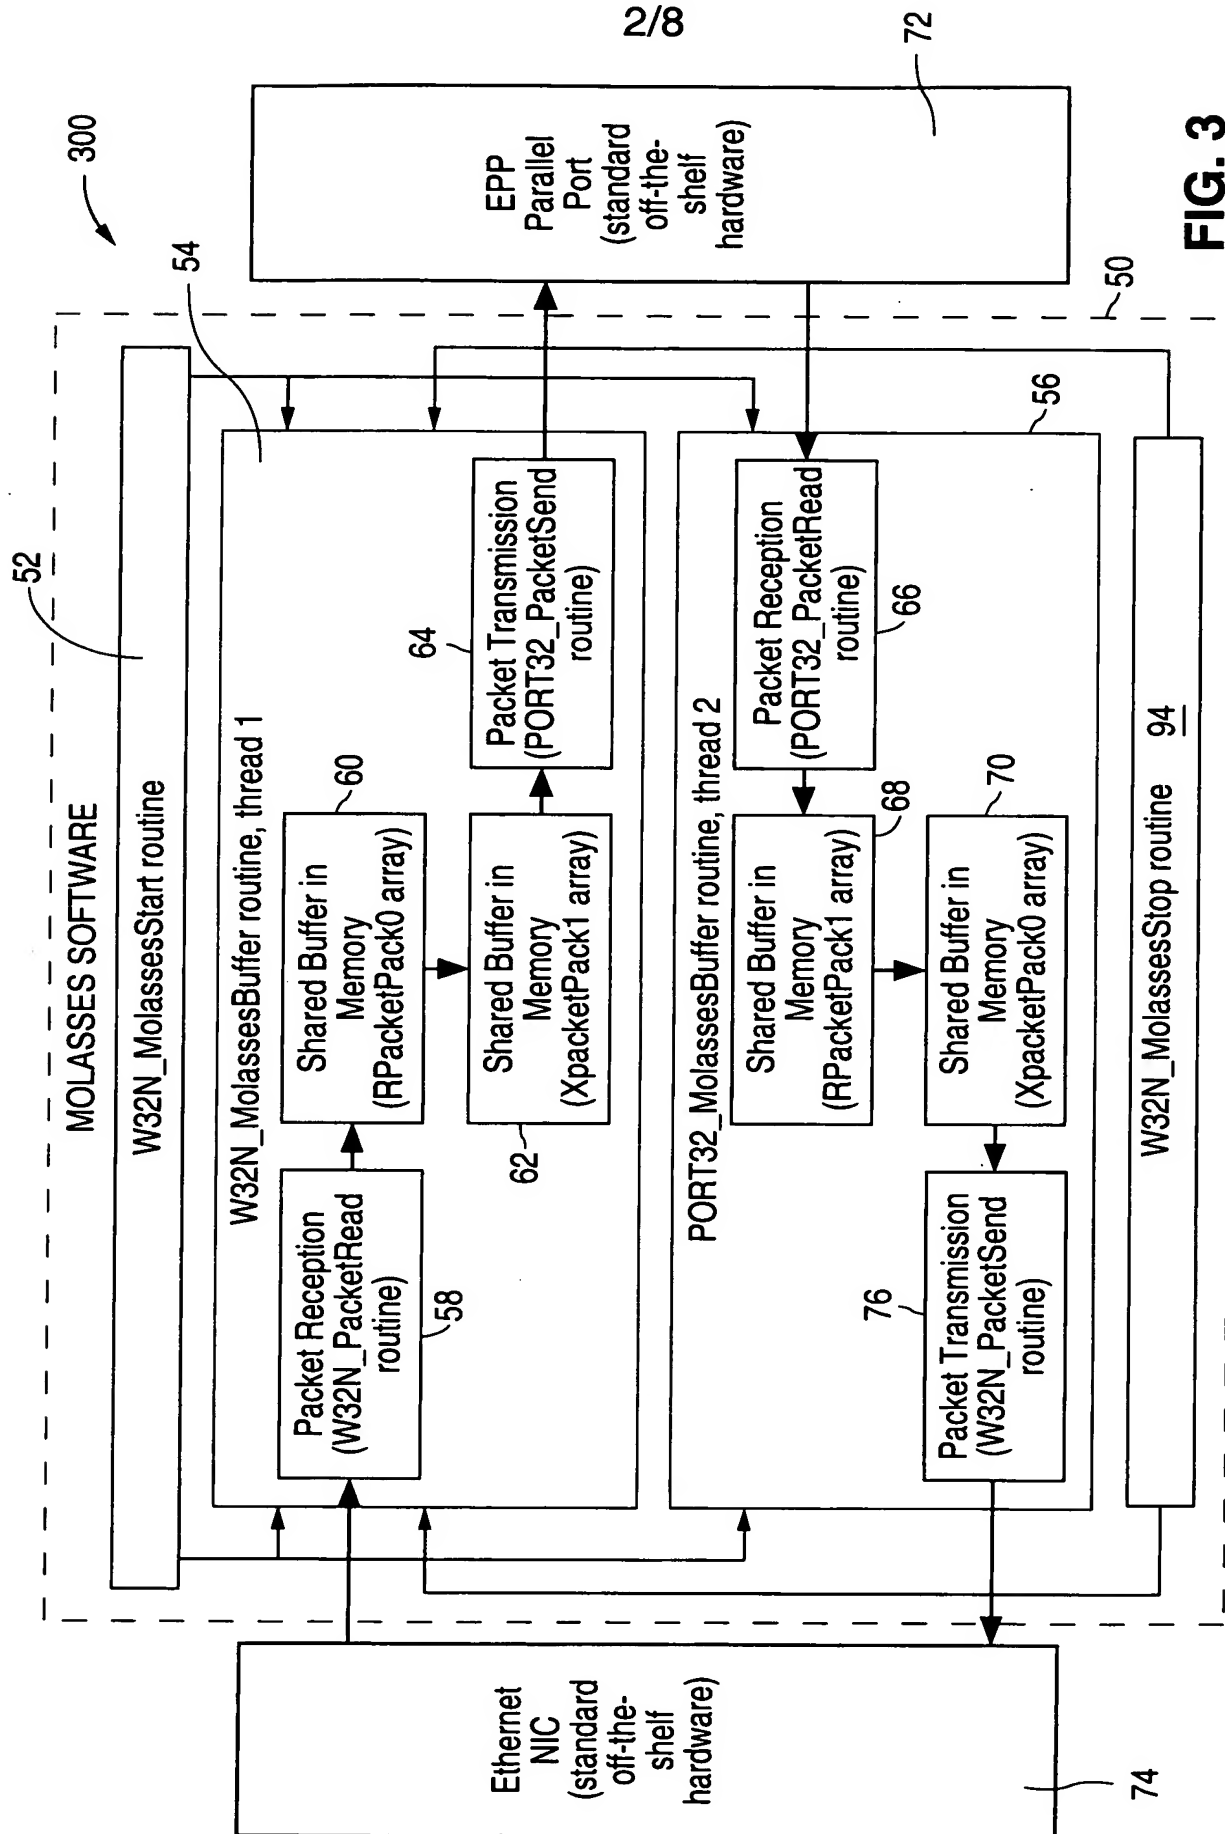

FIG. 3

The screenshot shows a software window titled "Molasses" with a menu bar containing "File", "Edit", and "Help". The main interface includes several input fields and controls:

- Adapter1:** A dropdown menu showing "#2 DAVIDCOM 9102 PCI Fast Ethernet Adapter" (labeled 82).
- LPT port addr:** A text box containing "378" (labeled 84).
- Log File:** A text box (labeled 90) with radio buttons for "On" and "Off".
- Comments:** A text box (labeled 92) with a dropdown arrow.
- Status:** A section with two radio buttons: "Verbose mode" (labeled 86) and "Silent mode" (labeled 88).
- Buttons:** A large "GO" button and a "STOP" button (represented by an octagon with the word "STOP").
- Error Count:** A text box at the bottom right showing the value "0" (labeled 80).
